

## **Can People with Epilepsy Drive Cars? What Can You Do When Someone Has a Seizure? Do Individuals with Epilepsy Know When They are About to have a Seizure?**

Join the PA Business Leadership Network on May 13<sup>th</sup> as the Epilepsy Foundation leads participants through a discussion including: What is Epilepsy?; What are the different types of seizures?; Do people know when they will have a seizure?; Use of medication to control seizures; How does this disability impact a driver's license?; How should you help someone having a seizure?; and more.

Tuesday Talks with the PA Business Leadership Network (PA BLN) allow companies from across the state and country to quickly learn about a valuable resource or success story related to the employment of people with disabilities. These free monthly phone calls are scheduled on the second Tuesday of every month from 8-9 a.m. EST.

Participants are also able to have discussions with their peers about topics that address: ideas for accommodations; ways to improve recruitment and/or retention; ideas for becoming a company of choice for employees and customers; strategies for compliance; financial incentives available to businesses; and more!

**Interested parties should pre-register to gain access to these conference calls organized by the PA BLN. To register, contact Stacy Kyle at 717-763-0968 ext. 115 or [stacy.kyle@blnoipa.org](mailto:stacy.kyle@blnoipa.org) .**
